## ON CHANCE TO COMPLAIN NOW, SHE DECLARES

Miss Vetter Has Gained 25 Pounds  
In Weight And Feels Fine All  
The Time—Highly Lauds  
Trutona

LOUISVILLE, KY., April 29.—"I weighed 140 pounds when I began taking Trutona, but I tipped the scales at 165 pounds after I had finished the treatment, and I feel so good all the time now that I don't even have a chance to complain," Miss Ruby Vetter, a well-known employee of Herman Straus & Sons Co., who lives at 1041 South Seventh street, Louisville, said recently. "I used to be a telephone operator, but I had to give up the position on account of my nerves," she continued. "I had the 'flu' last spring and it left my system in bad shape. My stomach was so weak I couldn't stand even the lightest of foods. I felt bilious all the time and was subject to frequent smothering spells."

"Trutona had done my mother so much good that I decided to try it myself. The benefits I gained are really better than I even expected. When I had finished my third bottle of Trutona, I felt as strong as I ever did. And I'm still feeling that way. My nerves are strong and steady now and I'm eating heartier than ever. I'm working at the department store every day now, too, and I feel so good all the time that I don't have a chance to complain."

Can any one doubt the sincerity of this remarkable statement by Miss Vetter? It is further proof to be added to the ever increasing volume of testimony accumulating in favor of Trutona. As a system purifier and body invigorant for use after attack of influenza, pneumonia and the like, Trutona has proven to be peerless. Trutona is sold in Paris at G. S. Varden & Son's. (adv)

## Brunswick Principles In Fine Tire Making

The reason you are interested in the name on your tire is that it identifies the maker. By knowing the maker you can judge his ideals of manufacture.

The only secret of a super-tire lies in the principles of the maker. His standards decide the quality. For there are no secrets in the tire industry.

What you get depends on what is behind the name on your tire. Brunswick, as you know, means a very old concern, famous of its good name. Since 1845 the House of Brunswick has been famous the world over for the quality of its products.

The Brunswick Tire is all that you expect—and more. Your first one will be a revelation. You'll agree that you've never known a better. And you'll tell your friends. So spreads the news among motorists. The Brunswick is the most welcome tire that ever came to market.

Try one Brunswick Tire. Learn how good a tire can be built. And remember, it costs no more than like-type tires.
